## PAINTING CLASSES – BOOKING FORM

Ever heard the phrase, 'feel the fear and do it anyway'? Some might believe this only applies to sky-diving and bungee jumping, but for many people, painting and art classes are just as scary!

These painting classes are a little different... providing a relaxed atmosphere where anyone, no matter what their skill level or experience, can pick up a paintbrush. The idea is that everyone can paint (but like most things, you just need to learn the skills). These sessions create the opportunity for you to learn some painting tricks and to start to develop your own unique style. A schedule of upcoming classes is provided below, with a booking form on page 2.
